Report of Principal and School Improvement Council

Armstrong Elementary is a great place to learn and grow both socially and academically. During the 2013-14 school year the staff and students committed ourselves to excellence in an effort to achieve optimal academic growth and life-long success. The mission at Armstrong is "Committed to Excellence" --- by caring more than others think is wise, expecting more than others think is possible and achieving more than what is expected.

Throughout this school year, our faculty and staff participated in various professional development opportunities in the areas of English Language Arts, Math, Writing, Science, Social Studies, and Technology. Our professional development activities provided practical hands on opportunities for teachers to continually learn and evolve to meet the changing needs of students and the curriculum.

Armstrong Elementary provided many opportunities to support the academic success of students. We continued our implementation of balanced literacy and our Response to Intervention (RtI) program provided targeted students in kindergarten through second grade with supplemental reading support. At the intermediate level, we offered before and afterschool tutorial programs to students in needing extra academic support. Throughout the year, students' learning experiences were enhanced through the use of various technological tools and programs such as Compass Learning, Promethean Boards, English in a Flash, Reading Eggs, ActivExpressions, internet accessible computers, and iPads.

Our PTA continues to work diligently with the school staff to provide opportunities to promote student achievement and parent engagement. Activities included volunteering, Lunch and Learn workshops, Technology trainings, Math and Science Carnival, Family Movie Nights, Poetry Slam, Talent Show, and PAWS Behavior Quarterly Celebrations. This year the PTA's fundraising efforts allowed us to install a new playground to help meet the physical and social needs of our primary grade students.

Excellence at Armstrong Elementary is also characterized by student behavior. This year we enhanced our social expectations for students which consisted of them being model citizens in our school by demonstrating their "P.A.W.S" Pride and exhibiting Bullpup behavior. To help others in our community and beyond, our students participated in many goodwill activities such as Jump Rope for Heart, Pennies for Patients, collecting can tabs for Shriners Children's Hospital, and socks for local nursing homes.

We are committed to meeting the needs of each student, both academically and socially so that we do our part in preparing tomorrow's leaders and help them achieve their personal best. Each child is important and deserves the very best we have to offer.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	88.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Armstrong Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
X	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
